

## The Water Cycle Paper Craft

**Lesson plan: What-a-cycle Paper Craft.** Color both base and atmosphere. Add labels to various components of the water cycle. Cut along solid outside lines of both the base and atmosphere. Base: Fold along dashed lines in a mountain fold  except for tab "I" which will be a valley fold.  Glue or tape tabs to build the model. Atmosphere: Fold along dashed line. Glue or tape to base. Complete lesson plan is located at...
